# DISTRICT DIRECTOR MESSAGE

## Fellow Toastmasters,

The Toastmasters year 2020-2021 has been transformational! After last year's re-formation, we made a brand new start in District 46. Our motto has been "Together, let's transform lives through communication and Leadership." As we stay home more and travel less, connecting and communicating has become critical. We have learned to enjoy online meetings and discovered many new opportunities to connect with each other. A District 46 choir was created, adapting and performing "New York, New York" at several events. District 46 never sleeps; it has adjusted and fully embraced virtual Toastmasters meetings and Pathways learning.

The "new normal" has allowed us to effectively extend our communities. Toastmasters and friends from all over the world have joined our virtual meetings. By sharing our knowledge, exchanging our experiences, and connecting with each other in a heartfelt and supportive way, District 46 has become even more of a transformative community. Opportunities to learn from each other have grown exponentially.

The COVID-19 pandemic has brought the challenges we face to a boiling point, with a growing sense that things must change. We have lost loved ones. We have acknowledged and offered sympathy. It is important to remember those lives, dear to our members and their families. We have all worked so closely over the last year, so we feel as a family. We feel the loss collectively.

Our District has remained vibrant because of its mix of well-established and brand-new clubs. We have expanded Toastmasters learning opportunities by partnering with Rotary International, a unique collaboration at the local level. We expanded our membership by chartering a Rotary – Toastmasters club. We can learn from Rotary's model of service. Other learning opportunities were offered to members with the chartering of advanced clubs on parliamentary procedures and podcasting.

By upholding Toastmasters' core values, acting with integrity, speaking and listening with respect, and serving our fellow members with excellence, we can transform our community to become better speakers and leaders. Let's challenge and empower our members through feedback and support, so they will become confident in their communication and leadership skills.

As we continue to grow, let's deepen our commitment to translating our core values into action and "together let's transform lives through communication and leadership" so that District 46 becomes an even stronger instrument of leadership, communication, and personal transformation.

To District 46's success,

**Patricia Kidwingira | DTM**  
District 46 Director 2020-2021

# PROGRAM QUALITY DIRECTOR MESSAGE

## Dear Fellow Toastmasters,

The club mission emphasizes the purpose of every club: To provide a supportive and positive learning experience in which members are empowered to develop communication and leadership skills, resulting in greater self-confidence and personal growth. This is why people join, and why people keep on coming back.

I am constantly inspired by seeing others achieve or making progress towards their goals through this wonderful organization. Especially this past year, you as club leaders and members have risen to the occasion to adapt quickly to retain the essence of the club experience. It was both a challenge and growth opportunity facilitated by our online education program, Pathways. There is probably no better organization than Toastmasters to prepare us for the 'new normal.' Where else will you find people willing to spend time with you to improve your online presence and give you constructive feedback to find your voice?

I am extremely excited about the program conference chair Kim Bourne and her team have put together. The theme of Tools for Tomorrow looks to the future and equips you to build a better you. The presentations come at the right time as we get out of the dark of winter in more ways than one. Enjoy the conference as you get equipped with the relevant practical tools for your future.

# CLUB GROWTH DIRECTOR MESSAGE

## Dear Members,

Spring brings signs of hope and new beginnings for all of us. This last year, while challenging, also brought an awareness to many of us about what is important and matters most. Families grew closer, neighbors became more united and overall a sense of caring and empathy blossomed.

As Toastmasters we became more agile in how we shared and continued our educational journey. We demonstrated resilience and forged ahead keenly aware that the lessons learned would serve us in the future to progress.

It became evident that the Toastmasters educational program kept in step with providing the tools we needed to keep us connected globally. We practiced through our clubs and then learned how to transfer those valuable skills to the boardroom, conference room or one-on-one business meetings with colleagues and clients.

The Toastmasters 2020-2021 year is ending, but the skills acquired and the knowledge gained will serve us well into the future. I wish you continued success in your Toastmasters journey throughout 2021-2022 and beyond.

# WELCOME

Turbulent times. Uncertain futures. It is not easy to be an optimist. Coronavirus, social unrest, and senseless violence have upended the traditional cadence of life as we knew it. The COVID-19 pandemic has prompted a global shift from in-person gatherings to a more virtual implementation. Even post-COVID, virtual meetings will still be the norm for the foreseeable future.

The good news is that after a once-in-a-generation year like 2020, there is hope. Our Spring Conference-themed *Tools for Tomorrow* offers many tools to get back on track or add momentum to what could be a break-out year! Let's challenge ourselves to become DSTMs: Digitally Savvy Toastmasters.

Our virtual tool kit is chock full of powerful resources that will equip you to differentiate yourself and your club in our virtual reality. We are very grateful to our Spring Conference planning team and our stellar guest speakers:

- First Vice President of Toastmasters International Matt Kinsey will empower you to develop a personal post-pandemic success strategy.
- Author, speaker, and coach Paddy Kennedy, internationally known for her work in global communication and leadership, will show you how to master your brave speaking voice.
- A man with a calling, Scott Mason, inspirational speaker, podcast host, and consultant, will invigorate you as he moderates a fireside chat with Drew Kessler. A Rotarian since 2001, Drew became the youngest president of the North Rockland Rotary club in its 91-year history at the age of 25. Learn how to create a legacy of service and how Rotaries and Toastmasters can join forces to make our world a better place.
- Self-development, executive coach, and professional photographer Liza Andrews will teach you how to become more photogenic and videogenic.

The saplings planted years back have borne good fruits. Many of our Toastmasters are activists, frontline workers, and community organizers. Let's continue to refine our communication and leadership skills to reflect, resurge, rebuild, and remain relevant, remembering that the best tools last longer than a lifetime!

## SATURDAY SESSIONS

### Session 1 - 10:25 am

#### Respond, Don't React: How to Thrive in a Post-Pandemic World

First Vice President of Toastmasters International **Matt Kinsey, DTM**, will guide you to develop a personal post-pandemic success plan. Matt will share tools to help you avoid:

- Oversimplifying the issues
- Getting caught off guard
- Losing sight of your goals

Planning pays off before you take action, while you are taking action, and after you have taken action. Attend this reflective session to learn how to deal with the uncertainty of living in a post-pandemic world.

### Session 2 - 10:35 am

#### How to Become a Digitally Savvy Toastmaster

Our fellow Toastmaster **Liza Andrews** will teach you how to become a DSTM — a Digitally Savvy Toastmaster — and how to differentiate yourself and your club in our virtual reality. Liza will teach you how to become photogenic and videogenic and break down psychological aspects that make you feel shy and self-conscious about your image.

Become keenly aware of how to leverage the...

- Tools you already have
- Tools you can experiment with
- Tools you may want to buy

### Session 3 - 11:30 am

#### A Legacy of Service: How to Build a Stronger Community

Service above self — the motto of Rotarians — implies that both service and self are important. How do you strike a balance and prioritize between the two? Leaving a legacy of service is an important part of your life's work. **Scott Mason, DL3**, inspirational speaker, podcast host, and consultant, will invigorate you as he moderates a fireside chat with Rotarian **Drew Kessler**. A Rotarian since 2001, Drew became the youngest president of the North Rockland Rotary club in its 91-year history at the age of 25. Learn how to create a legacy of service and how Rotaries and Toastmasters can join forces to make our world a better place.

We invite you to join our fireside chat and learn to see your world through a new lens.

- Redefine your leadership style
- Develop a legacy driven mindset
- Consider applying Toastmasters skills to Rotary's many projects

### Session 4 - 1:30 pm

#### How to Give the Present of Your Presentation with Presence

Are online meetings becoming mundane instead of knocking the socks off your feet? Zoom fatigue is real! Moreover, the pains of the pandemic are heightened by social unrest. Now more than ever, your speech must be a "gift" that others want to receive. Memorable speakers communicate with kindness, civility, and empathy. Attend **Paddy Kennedy's** session and learn how to present your ideas so that listeners enthusiastically unwrap your unique message. Paddy will share tools to help you:

- Engage others with your WHY
- Create frames of reference suitable for your audience
- Navigate how people listen

Your powerful message, like the best tools, will last longer than a lifetime.

## FEATURED SPEAKERS

**Matt Kinsey, DTM**

Matt is the First Vice President of Toastmasters International and has worked in several global companies as a lead project engineer. He has overseen projects in approximately 51 countries, with risk management responsibility. For the last 13 years, he has been the CEO of M.K. Tech Group, Inc., placing him with direct responsibility for all aspects of the business. He loves road cycling, camping, hiking, writing poetry, and studying the mysteries of how our universe came to be. His personal mission is to help others understand their significance, that quality they have that is uniquely them, and positively impact those around them.

**Drew Kessler**

Drew is a Vice President and Relationship Manager of the Commercial Real Estate division for M&T Bank and built his career as one of the leading bankers in New York. He prides himself on his commitment to client service and his comprehensive knowledge of the real estate and financing industry, as well as his dedication to community service. Drew regularly appeared on Fox Business News because of his expertise. A Rotarian since 2001, at the age of 25, he became the youngest president in its 91-year history. Drew will join the 2022-24 Rotary International Board of Directors. Rotary is an organization that fosters and encourages the idea of service in both the local and worldwide community. He lives by the motto "Service above Self."

**Paddy Kennedy**

Dynamic and passionate business communication coach/trainer, Paddy has an outstanding reputation for integrity and results. She is proficient in facilitating strong communication and leadership skills in the global marketplace. Her clients span the globe, coming from over 90 countries. Having authored many publications, she is considered a thought leader in voice and communication; Paddy has spoken in more than 20 countries. She earned the prestigious U.S. Homeland Security Type O-1 Visa, awarded to experts in their field, in 2000. She freelanced as a radio journalist for Canada's largest news broadcaster, interviewing Canadian politicians and athletes, Olympic figure skaters, hereditary chiefs, and the Dalai Lama. Now, Founder, CEO, and Principal, Kennedy Communication Studio International, Paddy will be presenting live from her home in Oman, in the Middle East.

## FEATURED SPEAKERS CONTINUED

Liza Andrews

Liza is a self-development and executive coach, photographer, and creator of PictureCure® Methods. She is a member of the Women's Media Group in NYC and an instructor for Continuous Education at the 92Y. She coaches her signature methods in Europe, South America, and the U.S.; in English, Spanish and Portuguese. She was featured on Globo T.V. and Bold T.V. as an industry expert. She started her career in the corporate world, working with recruiting and training programs. With the advent of social media, having a strong professional presence online became mandatory, allowing Liza to bring her expertise in portraiture to the table. She started photographing her colleagues and staff after teaching them how to become photogenic. Her methods contemplate not only the moves to look good on camera but also the psychological aspects that make people feel shy and self-conscious about their image.

---

Scott Mason, DL3

Scott is an inspirational speaker, consultant, and podcast host of "Scott Mason's Purpose Highway" and District 46's new podcast "Transformational Pathways". He is a man with a calling! Scott lives to energize and enlighten the minds and strengthen the hearts of entrepreneurs, students, and leaders of all stripes (including members of marginalized groups like the LGBTQ+ community). His up-from-nothing history and triumphs against adversity led to unlikely success as an attorney, government official, entrepreneur, and leader in one of the toughest cities on earth – our city – the Big Apple. His journey has flown in the face of those who believed he could not or should not succeed. And it has given him a zealot's passion for ensuring that others never lose the internal fuel to rocket towards personal satisfaction and success.

---

Quinn Lemley, DTM

Quinn is the star of Burlesque to Broadway and Rita Hayworth -The Heat Is On! She was seen on Good Morning America and Oprah and a finalist on Shark Tank. A Toastmaster since 2012, she served as Division & Area Director. She is the current president of DE2 and past president of Douglas Elliman/Westside Toasties. Quinn was also featured in the Toastmaster's Magazine. She's directed Rebel Rebel The Many Lives of David Bowie, Pink Floyd's Dark Side of The Wall, and The Ultimate Queen Celebration starring Marc Martel. Quinn is obsessed with helping people share their message. She coaches speakers in her Rock The Stage Rock Your Life coaching program one star at a time! Every month her T.V. show Secrets of The Stage with Quinn airs on MNN or at [www.QuinnLemley.com](http://www.QuinnLemley.com).

## ACKNOWLEDGEMENTS

Actor Robin Williams once said, "Spring is nature's way of saying, 'Let's party!'" The sunshine lengthens our days. And, for those of you who love gardening and the beauty of nature, it's party time! However, a little preparation and a little time in your spring garden will reap many benefits and should be fun, too.

Many gardeners prepared the soil for our Spring Conference, from the kick-off social on Friday night to insightful closing remarks on our final day. From our featured speakers to our planning team, who worked tirelessly behind the scenes, we hope to equip you with tools that will allow your life's garden to flourish. Remember, the music does not stop when our conference ends, and the best tools last longer than a lifetime.

Like you, each bulb and bud is wrapped up inside with everything needed to produce the dramatic explosion of color and nutrients that we take for granted. If you want homegrown flowers to bloom and your veggies to grow, get to know a gardener.

Above all, we deeply appreciate all of our conference team gardeners who put "service above self" to bring *Tools for Tomorrow* to fruition. Together, we took root, grew stronger, and stood tall. Together we created fresh beginnings. Together, we will thrive amidst the pandemic and despite the social unrest. Let's continue to become better speakers by observing great speakers. Let's continue our development at tomorrow's District Contest and for a lifetime!

With gratitude,

Kim Bourne | EH4
